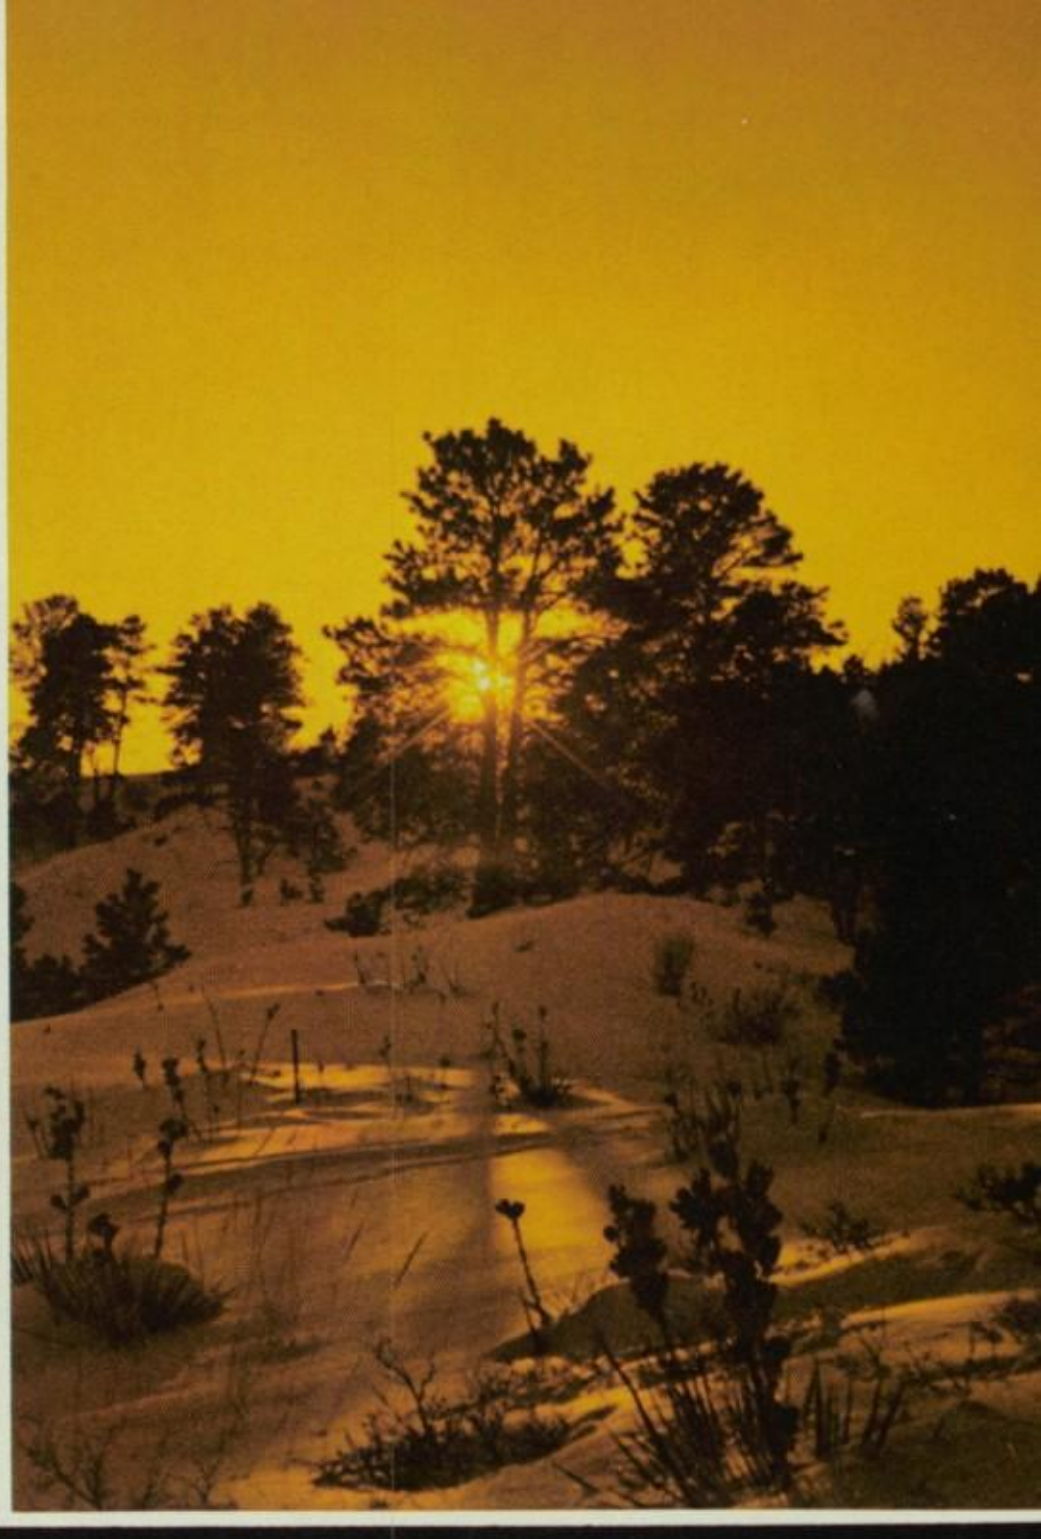
Student Life

At SSHS the life of a student is not only filled with the classes, the clubs and the sports but with the activities that are separate from these classifications. It is for this reason that the 1974 Bluff Staff has created this section entitled "Student Life". It is our sincere wish that this section will help to show a better perspective of these special activities and the life of the student which participates in them.



"it was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of light, it was the season of darkness, it was the spring of hope, it was the winter of despair."

Banner Day Activities 'Lit Up' As Dream Float Turns to Ash

The A Cappella float brought a new "light" to this year's Banner Day Parade. By using an apparently faulty fogger device to create a smoke effect, the A Cappella members became dismayed as their float caught fire and eventually burned to nothing.

Although the float was ruined, the A Cappella did receive a $15 consolation prize for their efforts. First prize of $25 and the traveling trophy went to the band for the third straight year. Second prize of $20 went to the Boys' and Girls' S-Clubs and third prize of $15 went to the Ushers.

The Bearcats defeated Riverton 27-21 in an exciting football game, and later more than 250 students danced to the sounds of "Stymie" at the annual homecoming dance, concluding Banner Day in a festive manner.

Homecoming king and queen were Seniors Bob Turman and Cheri Marker. First attendants were Seniors Dave Brethour and Gay Fenimore. Second attendants were Seniors Russ Martin and Cindy Anderson.

SHS Cheerleaders Have Exciting Job

Cheerleading is one of the most exciting and honorable tasks to undertake in high school. Accepting this years cheerleading responsibilities for the varsity were: Debbie Schmitz, Susan Jacobson, Linda Gillam, Rosy Palser, Cindy Propp and Tina Strotheide. Reserve cheerleaders were: Cindy Gerhard, Jody Reisig, Marcia Baumgartner and Jane Palmer.

In order to become a cheerleader, a girl must be a member of the pep club and must try out before and be elected by the student body at a special assembly held in the spring.

The varsity cheerleaders yelled the mighty Bearcats to many victories this year. They appeared in the summers annual Oregon Trail Days Parade and also in the annual Banner Day Parade. They also conducted a cheerleading clinic for the area sixth grade girls in January.

The reserve cheerleaders took charge of all the cheering done at the SHS wrestling matches, besides cheering the Bearcub teams in both football and basketball.

Assisting this years cheerleaders as mascot was Cheri Marker.

Drill Teams Combined To Form New Bluffettes

The traditional Peppermynts and Sweet Sixteen Drill Teams were combined this year to form the Bluffettes. The Bluffettes who performed during football and basketball half times as well as in pep rallies and parades, consisted of 12 girls, 5 seniors and 7 juniors.

To be eligible for tryouts, each girl must maintain a C average. Before selections are made, each girl must tryout before a panel of judges consisting of selected teachers and both Principal James Shehein and Vice-Principal Nick Marick.

The Bluffettes were sponsored by Mr. Dean Maxwell and Mrs. Georgine Diers. The girls, captained by Senior Gay Fenimore and Junior Julie Macken, felt that the new drill team was much more organized because of the scheduled practices, which were every morning.

Seniors Cherry, Nuss Crowned Royalty

Reigning over this year's Winter Royalty were: King Tom Cherry; Queen Marcia Nuss; First Attendants Bill Mowry and Linda Meininger; and Second Attendants Ross Crist and Cheryl Conner.

Festivities for the day began during sixth period when the royalty was tapped in front of the student body. Later, during half time of the Scottsbluff-North Platte basketball game, the royalty was presented to the public.

Even though the basketball game proved to be a loss for the Bearcats, the nights activities went on in a very festive manner. Approximately one-fourth of the total student body danced to the sounds of "Autumn," a rock group from Colorado Springs, Colorado, during the annual Winter Royalty dance held in the commons.

Another Great Musical in '74,"Guys and Dolls"

The production showed that within each of us there exists a capacity to be good and that love is the key to changing the more unacceptable traits in people into traits useful to society. This is evident by the fact that after falling in love with a pretty Salvation Army worker, Miss Sarah Brown, the compulsive gambler, Sky Masterson gives up gambling to enlist in the Salvation Army.

Additional Musical credit must also be placed with Assistant Musical Director Mrs. Maxine Faust, Director of Choreography Miss Carol Housewright, Orchestra Director Mr. Edward Deepe, Student Musical Director Cherry Snocker and Accompanist Mary Copeland.

Once the second hand store scavenger hunting (for pin striped suits and below the knee dresses), the learning of New York accents, the missed cues, the perfect choreography, the just right make-up and the long hours of practice were all taken care of, the Scottsbluff High School Music Department performed for the residents of Scottsbluff another great musical production. Expectations were more than rewarded for audience and cast alike as all of the night performances were standing-ovation sell outs. This year's Musical was Damon Runyon's "Guys and Dolls" and was presented April 4,5,6.

Under the direction of Mr. Gerald Bacon the more than 130 students in the cast presented a beautiful show and gave light to the fact that the halls of SHS contain some truly destined to be professionals. Outstanding performances were given by the four leads: Senior Ed Pennington portraying Sky Masterson; Junior Cindy Rogers as Miss Sarah Brown; Senior Keith Haemmelmann portraying Nathan Detroit and Senior Carol Snell as Miss Adelaide.

1974 AFS Talent Show Presents 'The 1950's'

The annual American Field Service (AFS) Talent Show, sponsored by the Student Senate, was presented this school year on Jan. 24. The show was highlighted by seven masters of ceremonies who used the theme "The 1950's" as a way of introducing each act. The MC's were Seniors Jeff Allen, Terry Bastron, Scott Hoffman, Linda Meininger, Marcia Nuss, Bob Turman and K.C. O'Riley.

The show, which consisted of twelve acts, raised $1160. The money which the shows bring, is used to bring an AFS exchange student to Scottsbluff each year. This year's AFS exchange student was Guido Seminario from Peru. The American Field Service programs have been providing international living to young people of all backgrounds for 26 years. Approximately 40,000 students from 80 countries have lived and studied in the United States. In addition, about 20,000 U.S. students have studied abroad. Scottsbluff Senior High School was also privileged during the second semester to have as a Rotary exchange student, Heather McDonald from New Zealand.

'House At Pooh Corner' Is 1973 All-School Play

1

"It's just that standing out in a cold windy pasture, I sometimes get to thinking about a house. Especially about three in the morning," complained Eeyore in the All-School Play, HOUSE AT POOH CORNER presented Saturday, November 10. Main characters were: Winnie-the-Pooh, Junior Ben Salinas; Eeyore, Junior Steve Nazarenus; Christopher Robin, Sophomore Carol Wilson and Tigger, Sophomore Kirk Allen.

The week following the presentation, the play was toured to all the Scottsbluff grade schools. The children were given pictures of either Pooh or Owl to color in. The student directors, Senior Faith Dahlstedt and Junior Gail Andersen, picked the best pictures and at intermission presented the two winners with Winnie-the-Pooh teeshirts.

Spring Formal Is Very Bright With 'Everybody's Everything'

The 1974 Spring Formal, held April 27th, saw more than 250 students in attendance. With the theme "Sunshine", tunes such as "You are the Sunshine of My Life" and "Sunshine On My Shoulders" were easily accented by the soulfull sounds of this year's extraordinary band called "Everybody's Everything".

Although decorations are usually the responsibility of the junior class, everyone got into the act this year, seniors, sophomores and faculty alike. With streamers on the walls and ceiling, a pot of gold at one end of the floor and a silver, reflective sun at the other, this year's Formal, again sponsored by the Student Senate, was definitely a bright and sunny occasion.

Class Day Presents Surprizes

Class Day usually marks the seniors' last day of school together. Class Day annually has two assemblies. The first assembly, held at 9:30 a.m., saw the seniors in their caps and gowns as each club gave a short speech summarizing the year's activities, to the student body. Following the speeches, the seniors were dismissed by the newly inaugurated Student Body President Jess Pilkington.

The athletic assembly, held at 1:30 p.m., presented many surprises. Mr. Quirk was presented with many unusual gifts as this was his last year at SSHS. Russ Martin and Linda Meininger were presented the Senior Boy and Senior Girl "Athlete of the Year" Awards. Junior Andy Fitzmorris was presented the KOLT "Athlete of the Year" Award. New Cheerleaders and Mascots were also tapped to finalize the Class Day activities for 1974.

Commencement Sees 265 Graduating Seniors

With diploma in hand and an open future in sight, 265 SSHS graduates marched out of the Nebraska Western College Gymnasium , for the last time as a class, during the 66th annual commencement exercises. Having marched out and hung up their caps and tassels in the closet of memories, the seniors joyously departed, perhaps never to be all together again.

During the graduating ceremonies the three Co-Valedictorians: Lori Bendickson, Ruth Dickinson and Jerene Dierwechter gave thanks and made challenges to the Class of 1974. Lori Bendickson gave special thanks to the taxpayers for their support of the educational system. Ruth Dickinson challenged the class to hold the attitudes of "an open mind and a self-possessed mind". She went on to say this attitude would result in the ability to "adopt courage and serenity and create understanding." Jerene Dierwechter challenged the class by saying that "goals in life are related to helping the next generation" and thus the class would be "responsible for the lives of others."

Following the Valedictorians' speeches, Principal James Shehein presented each of the three with honorary trophies. He also recognized Guido Semanario of Peru and Heather McDonald of New Zealand, the graduating exchange students. He then presented the class to School Board President Mrs. Ruth Nichol. Mrs. Nichol then gave a short speech before presenting each of the 265 seniors with their diplomas.

Others participating in the graduation ceremonies included the A Cappella Choir, the orchestra, Student Body President Steve Sugano, Vice President Mary Copeland, Secretary Mary Fritzler and Treasurer Ross Crist.

English Teachers Try New Techniques

English has gone through much change the past two years.

For example, some of Mrs. Mary Ferry's classes were allowed to "contract" for their own nine weeks' grade.

Mrs. Maxine Faust's Film-making classes were allowed to form film companies and make original films.

Mrs. Kathleen Schaub's Speech classes did mostly group activities getting into groups and discussing current news or society topics.

In Satire and College Composition, taught by Mrs. Lois Olsson, the classes wrote original stories picking their own topics. Some of the choices were Human Curiosity; Farewell, Little Drive-In; and The First Book of Henry, commonly called Genesis (via Interstate 25). They also wrote original Little Willie Lyrics as an assignment.

Language Dept. Adds Russian

This year four foreign languages were offered to students; German, Russian, Spanish and French. Two new teachers were added to the department and German and French clubs were formed.

The new teachers were Mrs. Kathy Pramstaller (German I, II, III) and Miss Caroline Marion (Spanish I, III, French I, II). Mr. John Makelke taught German I and Russian I. This was the first year Russian was taught in the senior high. Earlier, Russian was offered only in the junior high as a two-year program in the seventh and eighth grade. Spanish I, II and IV was taught by Mr. Frank Alfaro.

The classes were rather small; Russian only had six students. Miss Marion and Mrs. Pramstaller often put their classes in a circle to help stimulate conversation. Films, records and tapes were used as study aids to help broaden the students knowledge of the language and the four countries' culture.

Math Classes Make Changes

This year some of the math classes at SHS used new and different techniques of teaching.

For example, Mr. Jim Petitt used a series of student books which were coordinated with cassette tapes for certain units in his Algebra I classes.

In Miss Ann Fulkerson's Fundamentals classes students did completely individualized studying, working and reading at the student's own speed.

The other math classes being taught were Algebra II, College Math, Geometry, Advanced Math (Trigonometry and Analytic Geometry) and Business Math.

Science Department Stresses Lab Experiments, Field Trips

The Science Department put great emphasis on labs and field trips during the year by using many different teaching techniques.

Mr. Robert Brown's Biology classes spent some of their time outside on school lab projects when the weather permitted.

The Earth Science class, taught by Mr. Harry Dowell, went to the Scottsbluff National Monument to study the geology as shown in the museum, and his Biology class took field trips to a nearby stream to collect specimens and water samples.

A transfer from the Math Department to the Science Department was made by Mr. David Wagner when he took over Mr. Gary Clifton's job in Chemistry.

Typing Class Utilizes Tape

Tape recorders played a big part in the typing classes this year. They were used in correlation with the typing text by typing teachers, Miss Jean Matthesen and Mrs. Geri Robinson.

In shorthand, taught by Miss Sheryl Malchow, the students were required to take occasional tests in writing and reading their own shorthand.

Another business course offered was Office Machines, which made use of several different types of machines. There were ten-key and full key, adding-listing machines, electronics, printing and rotary calculators used during class.

Home Economic Department Includes Five Different Areas

"Home Economics has changed a lot in the last couple of years. Now there are five different areas of Home Economics available during the year and possibly more next year."

"I never knew that! What are they, and what do you do in the classes?"

"The classes are Beginning and Advanced Foods, Beginning Clothing, Housing and Child Development.

In housing, the students take various field trips to mobile home sales, furniture stores, carpet and drapery stores and houses in the community. The child development class visited the Child Development Center and the Scottsbluff Office of Mental Retardation. Speakers were also a part of Child Development this year. They included mothers with children, various heads of childrens' programs in the area, heads of Day Care Centers, people from the Welfare Department, doctors and personnel from the psychology department at Nebraska Western College. In Clothing Construction, the students were allowed to individualize in their sewing projects."

"Do you know what they do in Vocational Agriculture (Vo. Ag.)?"

"I know that there is Vo. Ag. I, II, III, and IV for 9th, 10th, 11th and 12th grades. The classes centered around basic production agriculture and farm mechanics. The teaching methods are 'learning by doing'."

"What do you mean learning by doing?"

"Well there is a greenhouse where students grow types of plants and then study the differences in growth. Also Junior Rick Schlager built a modified tractor."

Basic Electricity Applies Skill

In Basic Electricity, Mr. Randy Thompson used the teaching method of having the student put into practical use everything he learned from the book. Students were required to draw and wire a new modern home.

Speakers were an added learning experience during the year as Mr. Emil Pischel from Nebraska Public Power Co. spoke on house wiring and Mr. Gene Hilbers from U.S. Welding spoke on welding operations.

General Metals class was designed to give students experience in metal working and welding.

Advanced Metals gave added experience to metal working and students were expected to learn how to use all power machines and explore the world of work.

Art Promotes Imagination

Batik, the art of dyeing fabric, is one of the areas most often used for projects in the art room. The print making area was also used more this year by students in Art I than in the past.

Four basic ideas of study are stressed in Art I. They are experience in different media, acquaintance with elements of design, visual experiences and, most important for further years in art work, to learn independence.

Art II, III and IV students work independently in clay, textiles, sculpture, graphics-printmaking, painting, drawing and jewelry. These students learn originality and how to make their own designs.

During the second semester, Mr. Randy McLean, an art Major from Chadron State College, was working with the art department as a student teacher.

In May, "A Night With Fine Arts" was held, and students in the art department exhibited some of their projects along with the music and drama departments.

Two field trips to art shows were taken. In October the art classes visited the "Force and Strength of Football" by Paul Fell, sponsored by the League of Arts, and in April the Five-State Art Show, sponsored by the Artist Guild.

P.E. Classes Enhance Fun

This year's P.E. classes were involved in a lot of activities. There was gymnastics, square dancing, soccer, badminton and volleyball.

Sophomores are required to take at least one year of P.E. which they have the option of mixing with vocal class, alternating days in the two subjects if they wish.

String Department Interest Dwindles

Orchestra had to face many new changes this year. The 1973-74 orchestra was slightly smaller than usual. Mr. Edward Deepe and his four students practiced sixth period in a near empty band room.

In February, the senior high band concert was held. Mr. Derryl Goes, director of jazz ensembles at the University of Northern Colorado, performed two drum suites with the band. They also played in the spring concert and stage band performed at the Fine Arts Festival.

The vocal department had a hard-working year, especially around musical time. Besides learning new songs, trying out for parts and choruses, vocal music students tried to sell five ads for the program to win a pizza or sell 20 tickets to the performance to win a Big Mac, coke and french fries from a local drive-in.

American Family Is Popular

"What history class do you have this semester?"

"I have American Family."

"You're kidding, American Family? Sex Education?"

"No, I'm not kidding, I heard that Ron Sylvester and his wife Sally tell you a lot of things that I'd be too embarrassed to ask."

"Well, I guess the class does help you to plan for your future, marriage and finances."

"Mr. and Mrs. Sylvester have been teaching the class for three years now and I'm glad I have it."

"Now that we've discussed my class, what class are you taking?"

"Well, I have 'Basketball Jones Jack' for either Western Frontier or American Government. I haven't decided which one yet."

" 'Basketball Jones Jack?' Who in the world is that?"

"Jack Stewart, you know, he is the new teacher replacing Mr. Ron Sloan as history teacher and Mr. Cliff Tillett as varsity Basketball Coach."

"Hey, did you know that Mr. Ken Quirk changed his American Problems class, now he doesn't give students tests anymore!"

"Well how do you get graded in his class then?"

"The students make several research reports instead."

Supt. Parks Leads Education in Area

Running a school is not an easy task to undertake, especially the running of a senior high school. Those who chose to do their part are Superintendent Dr. Walter Parks who sees that the schools in the city run smoothly. Mr. Bernard Georke is Assistant Superintendent, he handles the financial business. Director of Secondary Education is Mr. Thomas Mihane. His job is to devise and maintain an adequate curriculum. Then come the truly brave, those that go out into the high school itself. They are Principal James Shehein who for the past four years has handled all major school affairs and Vice-Principal Nicholas Marick who handles all disciplinary problems and sponsors Student Senate. The priceless scheduling of various S.H.S. activities is done by Activities Director William Conner.

Cafeteria, Janitorial Workers Aid SHS

"It's a good bunch of kids this year, much better than we've ever had," says Head Janitor Claude Hartman, who is now in his fifteenth year as janitor at S.H.S. Janitorial work is much more than it sounds. The entire school must be cleaned daily which takes eight hours each night. The seven janitors are divided into a day shift of three janitors and a night shift of four. The janitors alternate shifts every two weeks.

Another big part of S.H.S. is the cafeteria. Seven people comprise the cafeteria personnel. They are headed by Vivian Brown, who is manager of all school cafeterias throughout Scottsbluff. To help Mrs. Brown there are two cooks to make the main dishes and two cooks who take care of all the baking. Of the remaining two cooks, one shapes and makes rolls and cookies and the other is in charge of packing the food that goes to the various schools along with doing all the odd jobs of the cafeteria.

The cafeteria makes about 1500 meals a day, 350 of these stay at S.H.S. Many of the foods at S.H.S. are donated by the government, such as meat. Great quantities of food are used each day, for instance, on a "hamburger day" 200 pounds of ground beef are used.

Boys' S-Club Sponsors Trip

S-Club had quite a few money making projects last year such as raffling a quarter of beef and 100 gallons of gas.

They also sold programs at the athletic events, sold basketball brochures and greeting cards.

The club used part of the money to send boys to Medicine Bow Ski Range for a day of skiing in March. The rest was used to co-sponsor the Winter Royalty Dance, film all athletic events, clean red blazers worn by athletes and finance the signs, flowers and refreshments for Parent's night.

As service projects, Boy's S-Club parked cars for athletic events and joined with the Girls' S-Club to win third prize with their float in the Banner Day Parade.

Girls' New Trophy Case Is Goal for Club

Obtaining a trophy case was the goal for the money making projects for Girls' S-Club.

Their decision was made because girls sports have been bringing home extra trophies which existing trophy cases cannot handle.

The fund-raising projects consisted of selling concessions at the Scottsbluff Relays, selling Bearcat cushions and holding a bake sale.

The group, working together with Boys' S-Club, sponsored the S-Club/Peppers Dance and claimed third prize for their float in the Banner Day Parade. Initiation was held May 21 for 19 new members.

Last year's officers were President Linda Meininger, Vice-President Marcia Nuss, Treasurer Cindy Anderson, Secretary Candy Anderson, Chaplain Ann Finke, Sergeant-at-Arms Kris Schledewitz and Student Senate Representative Connie Cox.

Enthusiasm Invades Pep Club

This year's pep club broke tradition by enforcing very few rules and having a co-ed membership. Peppers sponsored the Homecoming Dance, Winter Royalty Dance and Theme Days. The Theme Days were initiated primarily to promote spirit such as on 'Tip Your Hat To A Bearcat' day, students wore all types of hats during the day, and for 'Up, Up and Away', Peppers sold balloons during the Parents' Night Football game and on the first touchdown the balloons were set free. On 'Sock-it-to-em' day, there was a never ending assortment of socks worn. After each of these, prizes were awarded for the most unique.

Officers of the Peppers were President Jerlyn Hizel, Vice-President Ed Steele, Treasurer Mary Hill, Secretary Cheryl Conner, Publicity Nancy Walker and Student Senate Representative Sally Walker.

Senate Boosts SB Zoo Fund

The 1973-74 Student Senate completed the year with the important jobs of selling concessions at sports activities, programming guests for assemblies, painting trash cans and cleaning the school parking lot. They also sponsored the Banner Day Parade, AFS Variety Show and a walk-a-thon, to earn money for the zoo fund, ending the year with the Spring Formal.

Committee Chairmen for last year were: Activities Committee Harry Berggren, AFS Committee Deb French, Finance Committee Ross Crist, Publicity Chairman Ed Steele and Social Committee Gail Anderson. President was Steve Sugano, Vice-President Mary Copeland, Secretary Mari Fritzler, Treasurer Ross Crist and Chaplain Jess Pilkington.

New French Club Has a Good Start

Clubs come into existence for varied reasons. Most desire to place organized emphasis on the development of a specific cause; such is that of the French Club.

Included in the French Club's functions was having a bake sale with the Spanish and German Clubs and holding a Halloween and Christmas party. For money making projects, the club sold French perfume and held a French dinner for the public.

Officers of the club were President Stephanie Kizzier, Vice President Joni Magsamen, Treasurer Brenda Herber, Secretary Helen Francis and Student Senate Representative Leo Guadarrama.

Club Raises Money For German Trip

SSHS German Club was a big success in its first year. The club sold Hummel candles and held bake sales featuring German food for fund raising activities. Along with the French and Spanish clubs they held a Halloween party in Wesley Hall. They also had a pot luck dinner party at Christmas.

Club members helped sponsor a paper drive and raffle of a color T.V. for students who planned on going on a German trip during the 1974 summer with sponsor Kathy Pramstaller.

Annual Field Trip Made to Laramie

Even though the membership of Future Teachers of America has decreased, their importance and activities have not.

Their annual Christmas party with a gift exchange was held at President Cherry Snocker's house. On Valentine's Day the girls held a tea for all SHS teachers and personnel. Another new project was added, each girl was given two or three teachers for Secret Pals. This meant that at different times during the year the girls did something for the teachers. For example, at Christmas the teachers received a gift, such as a box of candy or cookies. Other activities included the Cadet Teaching Program for senior members and awarding of the Lawrence Lemon Award to Sandy Armstrong during installation of the new officers.

The annual field trip that the club made was to the University of Wyoming at Laramie, Wyoming. Since the club is so small, the trip wasn't restricted to FTA members only. Thirty-one SHS students toured the University campus Monday, February 25.

AV, Ushers Club Service to School

Usher Club had a membership of fifteen headed by Kathy Lacy and sponsored by Mr. David Wagner.

Ushering at Open House, four community concerts, the musical, "Guys and Dolls", graduation and building the third-place float for the Banner Day Parade was all a part of being in the club.

The volunteers were taught the etiquette of the procedure then left to seat their guests, the duties of ushers were to know the seating plan of the auditorium and hand out programs.

Audio Visual was a service club working towards helping teachers in all events that took place around the school. Video tapes were taken of athletic events for evaluation by coaches, athletes and classes.

The six members were trained to operate spotlights and stage lights mainly for the musical. Requests have been made for members of the club to perform out of school functions.

Students Inducted With High Honors

President Mary Copeland was the M.C. for the induction ceremony of new junior and senior members held this year.

Junior members, to qualify for National Honor Society, must be in the top 5% of their class and seniors in the top 15%.

Highlights of the ceremony were speeches made by Rex Morse on Education, Jim Pringle-Character, Ruth Dickinson-Scholarship, Denise Waggoner-Leadership and Lori Bendickson-Service. An added attraction was "Scherzo in B flat minor" by Chopin, a piano solo played by Don Morse.

Besides 15 members already in the club, 26 seniors and 15 juniors were inducted.

Workshop Given By Honor Society

Quill and Scroll, which was an international honorary society for high school journalists did several projects this year.

A newspaper seminar was given in March to the members of the junior high newspaper. This covered various topics such as reporting, layout, editorializing and general newspaper etiquette.

In correlation with the Echoes Safety Week, the members sponsored a writing contest for both junior and senior students. Winning entries received gift certificates.

At semester break, initiation was held for five new members.

The annual banquet was held May 15, at Big John's Restaurant. Introductions of new Bluff and Echoes staff members were made and initiation was held for five more Quill and Scroll members.

Officers for the club were President Gail McKenzie, Secretary Deb Whitney and Treasurer Julie Morton.

Debate Promotes Leadership for All

Members of this group expressed their own desire to be participants of debates and speech contests for their own benefit. Debate and speech are abilities which will prove especially valuable to anyone looking forward to any kind of role of leadership.

The group raised money through the year to finance their contest expenses to various contests. Officers were President Jim Snyder, Vice-President Ben Castinado, Secretary Tanya Lynch and Treasurer Linda Tyler.

Members attended Debate and speech tournaments at Ogallala, Harrison, Chadron, Kearney and the state meet in Lincoln. Paul Pfenning and Bill Waggner were undefeated at Kearney. Ruth Duncan and Jeanne Eckland won the Chadron Meet.

Club Devotes Time To Grade Schools

Students devoting their time to elementary students is what the tutoring club is all about.

Members of the club gave up their study halls and reported to the student during that time, rather than before or after school. The reason for doing that was to avoid a feeling of resentment in the child for having to give up his play time to study.

The program is on a completely voluntary basis and the tutor makes their own commitments to their child, judging on how much spare time they have to devote.

Chapter Initiates Greenhands

FFA organization is part of the instruction program preparing students for careers in agriculture. FFA members start out as "Greenhands" and may work their way up to a Chapter Farmer Degree, depending on the advanced work within the chapter.

The National FFA organization set official ceremonies for initiation. Our Scottsbluff chapter does some of their own initiating. This year the "Greenhands" wore overalls and their hands were painted green. FFA week was February 16-23, our Scottsbluff Chapter served as the courtesy corp at the AG Expo held at Nebraska Western College.

In the spring FFA members keep themselves busy with contests such as livestock judging, tractor maintenance and welding.

DECA Learns by Experience

DE Club and Merchandising Class-A club or a class, that is the question? This is a class where you are taught about how to be a consumer and a merchant. This is a club that lets you get involved with your whole community and other people around your state.

DE sold many different items such as candy bars, popcorn and brag books. Their goal was to raise enough money to send students to the State Leadership Conference, held in Lincoln. At this conference, the students competed in different contests such as Buying and Pricing and Job Interviews. Juniors must be enrolled in the merchandising class before they are able to be in the DE club their senior year.

Rosy Palser To Nationals

Rosy Palser, Darla Palser and Riggan Blackburn had the opportunity to compete in the state finals held at North Platte in June. In order to have this privilege they had to place in two rodeos previous to the event. Trophies, saddles and tack are awarded to the finalists.

Rosy Palser also attended the Nationals held in Utah by qualifying in goat tieing and calf-roping. Around 800 contestants coming from 26 states competed.

The Rodeo Club is a non-profit organization with state dues set at $18.

New Photo Techniques Interest Students

Working with cameras and experimenting is what the members of the photo club concentrated on with its growing membership.

Members of the club held their meetings in the evenings with their sponsors Mr. Bob Brown and Miss Sue Emrich. Officers of the club were President Stan Hixon, Secretary-Treasurer Jody Reisig and President-elect Joni Magsamen.

The club got involved with the Minority Arts Festival in which members took second and third place and received an honorable mention in the photography division. The club also experiments with different lighting and shadow effects in still life photography.

Orchestra Has Four Students

Mr. Edward Deppe began his second year as orchestra instructor this year with a class of four.

Members of the orchestra included Seniors Nita Merrigan and Ken Selch and Juniors Stephanie Kizzier and Ben Salinas.

Other than their daily practice during sixth period the orchestra performed in several concerts and also played for the spring musical and for graduation.

The reason for the decrease in enrollment in orchestra was that there was no orchestra teacher in the junior high. Most students taking orchestra in grade school quit upon entering junior high.

In the future the junior and senior high schools will combine to form the orchestra. This will bring about an increase in enrollment. Next year's enrollment is expected to reach about 12 and will continue to increase to about 40 within three years.

Mr. Deppe also taught orchestra at the grade schools to approximately 75 students.

A Cappella Choir Performs Outside

A Cappella. That word brings back memories of "lah bay dah may" and "ya ye ya ye". Songs and songs, work and more work.

Then there was practicing for concerts and the musical.

Activities were many; singing for Kiwanis, giving a concert on the "tree" at Christmas, the annual Christmas Concert and the party, the Spring Concert, the Holy Week Services at Midwest and singing at Vespers.

A Cappella means singing "The Sweetheart of Scottsbluff High" for tapping and "The Lord Bless and Keep You" for graduated members visiting the class.

With Help, Pride Choirs End Good Year

A common love for singing and for each other, truly united the 64 people of the P.E. All School Choir. Friendship and pride in the group smoothed the way after a rough beginning. The students from this group are the ones who are selected to be members of the following year's Acapella.

Womens' Liberation also was shown in the vocal department this year. The Sophomore Madrigal was made up of all females due to the lack of interest on the males part.

The two groups took part in the spring, fall and winter concerts. They also had parts in the spring musical, Guys and Dolls.

Challenge Given to Girls Glee, Tri-M

The vocal department tries to challenge the student body with new and different selections to re-interest them in music.

Among the many vocal groups here at SHS, Girls Glee and Tri-M are two groups that took that challenge and did what they could with it.

Tri-M took an active part in the annual Christmas concert and Spring Musical.

Tri-M, a civic service group, held two initiations, one each semester, and also held a banquet for the Rodger Wagner Choir from California in March. To end the year they had an initiation banquet for new members.

Successful Year Aided by Unity, Enthusiasm

New this year in the vocal department was Sophomore Swing. The group was formed because of the large number of girls and the lack of boys. It consisted of the ten best sophomore singers, four boys and six girls.

The group sang at the annual Christmas Concert and the Arts Festival District. They enjoyed singing mostly modern rock songs.

Mr. Gerald Bacon stated that, "Working with a small group like this was more educational for the student than if they were in a large group, and since it was such a small group they needed team work and no sluffing off." Unity was the idea behind this year's Choralaires. Enthusiasm and working together gave the group a successful year.

Songs sung by this group ranged from madrigals to modern rock. Being the most active group at SSHS, they sang at six events for the community, schools and organizations; such as the FTA Tea and Elks Banquet for senior letterman.

Girls Take Over Swing Choir Honored by Superior Ratings

Swing Choir, traditionally reserved for senior and junior girls and boys from A Cappella, underwent a minor change.

The group wasn't formed until January so they only sang for the Fine Arts Festival in April and for Eastern Star.

The group started out as a mixed group but due to lack of interest and boys it was changed to an all girl choir.

While singing at the District Music Contest in Alliance, Nebraska they received a superior rating for their performance.

The groups accompanist was Anne Benzel and choreographer was Miss Carol Housewright.

Thespians Enjoy Performing

The Thespian play was DIARY OF ANNE FRANK. Main leads included Juniors Steve Nazarenus, Nancy Horner and Rebecca Kelly. The play was about two Jewish families hiding together from the Nazis during WW II. Sponsor Maxine Faust took a cutting of the play to the District Speech Contest as a one-act play where it earned a superior.

The officers were Senior Sue Simpson, president; Senior Cherry Snocker, vice-president; Junior Rhonda Smith, secretary; Senior Casey Anderson, treasurer; and Senior Faith Dahlstedt, historian.

During first semester, the group sponsored two films, TROUBLE WITH ANGELS and A STAR IS BORN. However, this turned out to be an unsuccessful fund raising project. In the Student Senate Carnival they had a nickelodeon booth where they alternated silent movies with puppet shows. Members of the Mime troupe dressed up as clowns for the Youth Day Parade and also performed two short mimes in the Fine Arts Festival held in May.

An Awards Banquet was held in the spring of the year and awards were presented to outstanding members of Thespians.

Lee Gains 100; Cats Go 7-2

The Scottsbluff High School football program saw a new look in its 1973 season. The new system, consisting of platooned offensive and defensive units, resulted in a 7 win, 2 loss, turn-about season.

Opening against Alliance at Bearcat Stadium, the "Cats" held tight until the final gun before pulling out a 27-22 victory. The following week, Scottsbluff was invaded by Omaha Gross. The Omahans went home 13-0 victors but were under pressure the entire game.

For their September 22nd engagement, the Bearcats traveled to the capitol city to play the Lincoln High "Links". The Bearcats emerged 12-7 victors on fine defensive play. This was to be the start of a six game winning streak.

Following the Lincoln game, the "Cats" returned to Bearcat Stadium to defeat cross-town rival Gering to the tune of 31-6. The "Cats" next rolled by Sidney 31-0 for their first shutout of the year and the following week, past McCook 26-20.

Next playing Riverton, who finished number 2 team in Wyoming, the Bearcats earned a 27-21 Homecoming victory. The "Cats" got their final victory in their next engagement at Kearney. The Scottsbluff Bearcats defeated the "Hub" City Bearcats 14-0 in a well fought battle.

The Bearcats closed out their season at North Platte. This game was to decide the West Big Ten Championship. With both teams 3-0 in the conference, the squads battled and knocked heads until the final seconds had ticked by. The Bulldogs came out victors by a 20-7 score.

Coaching staff for the year included Head Coach Les Lee, Offensive Back Coach Don Hartwig, Offensive Line Coach Larry Lemons, Defensive Back Coach Ken Quirk and Defensive Line Coach Terry Gilliland.

During the season the Bearcats recorded two shutouts while outscoring their opponents 175-102.

Several players received post-season honors as five Bearcats were named to the West Big Ten and All-Conference teams with several others receiving honorable mention. Those named were Offensive End Terry Bastron, Defensive Backs Bill Mowry and Jay Neibauer, Defensive Tackle Dave Brethour and Defensive Linebacker Bob Turman. Turman was also named to the Star Herald All-State squad.

Bearcubs End Season at 2-4

Terry Gilliland and Ken Quirk once again headed the Scottsbluff Bearcub football team this past season. The Cubs ended the season with a 2-4 record with the Sidney game canceled due to the weather.

The Bearcubs opened with an exciting 19-18 victory over a scrapping Gering squad. The winning touchdown was scored by Junior Randy Brown in the dying moments of the game.

Laramie then defeated the Scottsbluff squad 34-7, before the Cubs returned home to stop Cheyenne Central 14-7. Alliance followed by nudging the Bearcubs 6-0 in the Bluffs.

Cheyenne East was next on the schedule. East ousted the Bearcubs 18-13 in a tight ballgame. Scottsbluff ended its season with a 21-7 loss to North Platte with "big" plays hurting them all afternoon.

There were 32 members who earned Certificates of Achievement.

Volleyballers Advance to State Semi-Finals

For the second year in a row the Scottsbluff Volleyballers advanced to the state tournament. This year's squad defeated Lincoln East in the first round and then bowed out to the Fremont Tigers in the semifinals.

Mrs. Kathy Tabor once again headed the Bearcat Volleyballers. She was assisted this year by Mrs. Mary Ferry.

Coach Tabor's Bearcatettes started the season on the right foot by downing Sunflower 2-0 and a tough Mitchell squad 2-1. They followed by falling to Chadron by a 0-2 score.

The Scottsbluff Spikers then compiled three straight wins before entering the Alliance tourney. The victories came over Sidney 2-0 and McCook 2-0.

The Bearcatettes defeated Kimball 2-0 and Chadron 2-1 in the quarter and semifinals to advance to the finals against Alliance. The Scottsbluff squad prevailed 2-1 and received their first trophy of the season.

After the Alliance tourney the Bearcatettes rolled by Morrill, Kearney, North Platte and Bridgeport all to the tune of 2-0.

Alliance was next on the schedule, a team that Scottsbluff had defeated once before. However, this was to be Alliance's night as they gave the Scottsbluff team their second defeat in the last regular season game.

The district tourney was up next with Scottsbluff and Alliance co-favorites. After Scottsbluff defeated Gering in the opening round and Alliance advanced in the other bracket, the final rematch was set. The Scottsbluff Volleyballers made an outstanding performance throughout the match and stopped Alliance two sets to none. This earned the Bearcatettes a trip to the state tourney.

The state tourney was held at Nebraska Western College for the second consecutive year. The opening round win over Lincoln East may have had the spikers too high for Saturday's game with Fremont, as the Tigers jumped to an early lead and outplayed the Cats all the way in a 2-0 victory.

Coach Tabor cited Cindy and Candy Anderson along with Ann Finke, Georgie Knaub and Cindy Propp for outstanding play throughout the year and Marcia Nuss for "coming on strong in the stretch."

This year's total records were: Varsity 15-3, Junior Varsity 10-1 and Reserves 6-3.

Coaches Tabor and Ferry are looking forward to the '74 season. Even though eleven seniors graduated this year, the Junior Varsity, reserves and freshmen compiled an impressive record.

The coaches agreed it was a very fine season, but it would have been much better had they won the state finals to close their year.

Netters Have Good Season

John Wymore once again headed the tennis squad at SHS. This year's record showed three wins and two losses in dual competition and a fourth, sixth and ninth placing in tournaments.

Six members of the squad earned Letters and ten others Certificate of Achievements. Those receiving Letters included: Seniors Keith Hammelmann, Ellis Martin and Steve Sugano. Juniors were Robin Reiselman and Doug Hindman. Sophomore Mark Cain also received a letter.

This year's record of 3-2 in dual competition was compiled as follows:

	Win	Loss
Torrington	1	1
Laramie	2	0
McCook	0	1
North Platte Inv.	6th	
Scottsbluff Inv.	4th	
Big Ten	9th	

No one off of this year's squad qualified for state.

Coach Wymore is hoping to initiate a Junior High program in order to compete with schools, on the varsity level, that also have programs in their curriculum.

New Coaches Have Successful Year

It would have to be considered a successful season, as the basketball squad compiled a 13-8 record.

When Coach Jack Stewart came to Scottsbluff he said, "we're going to be a winning team this year, we're not going to wait until next year." That's just what he did. He molded his squad together to play aggressive team defense and run a patterned offense.

Early in the season, Coach Stewart and Assistant Coach Ed O'Brian stressed defense. This seemed to pay off as the Bearcats defeated the Cheyenne Central Indians 66-62 in the opening game.

6

This was only the second time in ten years that the Scottsbluff team had defeated Cheyenne and the first since 1968. What was even more impressing was the fact that Scottsbluff held Cheyenne scoreless the entire first quarter.

The Cats then won their home opener against Laramie 73-61 at the Jr. High gym. Rapid City Central and Stevens came into town the next week. Rapid City Central scored a 59-52 upset over the Bearcats. Scottsbluff then bounced back to down Rapid City Stevens, on Saturday night by a 46-42 score.

It was then Casper Kelly Walsh who came to Scottsbluff and downed the Bearcats in a Competitive game, by 61-42. The Cats played Casper even up the first half, but a 43 point second half for Casper opened the game up. Kearney then came to Scottsbluff to round out the pre-Christmas schedule. The Scottsbluff Bearcats dropped the Kearney Bearcats 69-59 in the first Big 10 game for Scottsbluff.

The Bearcats then entered the Western Nebraska Holiday Tournament at Gordon. The Cats entered as heavy favorites, but were caught at their lowest point of the season, causing Kimble to stop them 47-44.

3. Wolfpack leader Kelly Jones wishes luck to Russ Martin as Bill Mowry continues to warm up before the game.
4. Scott Parker takes aim from the corner.
5. Bill Mowry stays with his man.
6. Randy Brown puts up a free throw.

The Cats returned fired up for their last two games of the tourney as they easily stopped Alliance 72-62 and Gering 65-51.

Scottsbluff then beat McCook 83-55 before losing to Kearney 65-56 in a much disputed ballgame, and to North Platte 60-31.

The Bearcats defeated Alliance and Gering before losing again to North Platte. Alliance became a Bearcat victim once again.

Sidney then defeated the Cats 45-44 as Scottsbluff missed a last second shot. Gering was defeated again by Scottsbluff in an exciting game to end the regular season.

At the district tourney held at Nebraska Western College, the Scottsbluff Bearcats downed the Kearney Bearcats 55-54.

The season climaxed as a much improved Bearcats team met the North Platte Bulldogs for the district title and state tourney berth. Scottsbluff led the majority of the game, but fell short in the end and North Platte prevailed 53-45.

Letterman for the year were Seniors Russ Martin, Bill Mowry and Scott Parker; Juniors Randy Brown, Andy Fitzmorris, Tom Marsden and Dan Sabala and Sophomores Mark Schanaman and Joe Warnick.

O'Bryan Heads Reserve Squad

5

Under the direction of Coach Ed O'Bryan, the Scottsbluff Reserves posted a 6-9 seasonal record.

The wins came over Laramie 44-37, McCook 43-32 and 55-52, Alliance 47-44 and 53-48 and Gering 43-37. The Bearcubs suffered losses to Cheyenne Central 36-58, Rapid City Stevens 36-61, Rapid City Central 30-63, Kearney 53-55 and 34-58, Casper Kelly Walsh 28-55, North Platte 45-62, Sidney 33-36 and to Gering 37-38.

Although the Cubs posted a 6-9 record the season was successful in several ways. According to Coach O'Bryan, the boys gained experience as well as adapting to a more aggressive style of play. Coach O'Bryan and Sophomore Coach Bill Steele added that the Scottsbluff Reserves were usually playing against older players, as most of the Bearcubs were sophomores.

Those boys who earned Certificates of Achievement were Juniors Kelly Steele, Craig Landers and Sophomores Brad Brillhart, Randy Dickerson, Greg Walker, Scott Thompson, Randy Nation, Dave Williams, John Cannon, Dave Foos, Pete Rodrigez, Rick Mortimore, Royce Fonken, Doug Harimon, Matt Lenhart and Pat Cox.

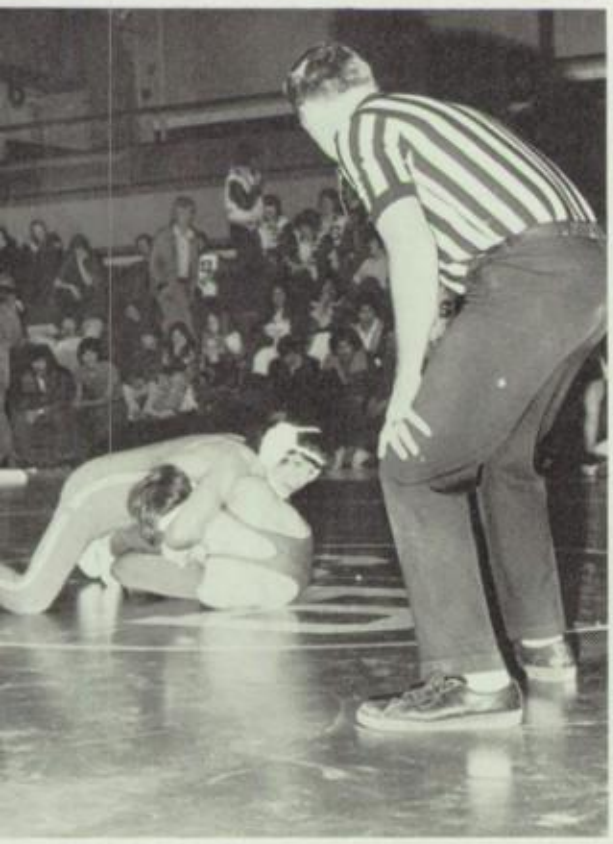
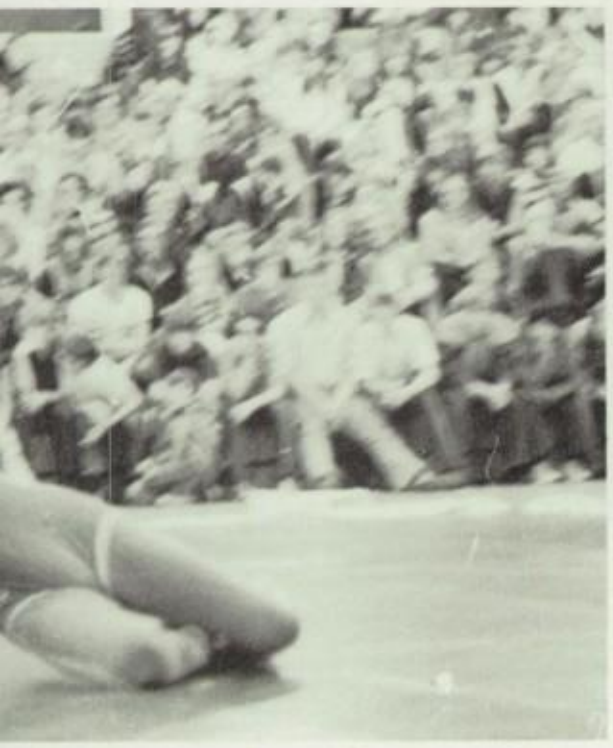
Young Squad Hurts Chances

5



6



The Scottsbluff Bearcat Wrestling Squads showed great desire even though they had a disappointing 2-8 seasonal record. As many coaches have said, "It's hard to practice all week, go to a meet, get beat, go to practice another week, go to another meet, get beat and go practice some more." It takes great desire to do this, and if teams were rated by this, Scottsbluff would be a good one.

Coach Joe Baker expressed pride in his troups and was especially proud of the way they came on toward District and Big Ten meets. Coach Baker explained that one of the reasons for the early season losses could possibly have been attributed to lack of experience. Coach Baker had several freshman wrestling on the varsity roster. Not to make excuses though, Coach Baker said that there was some very good wrestling in the other schools that Scottsbluff had competed with.

Some of Coach Bakers outstanding wrestlers and their records were Tom Cherry 19-6-1, Robert Limon 14-8-0, Bob Truman 17-11-0, Jack Vega 11-4-0, Chris Cook 11-11-0 and J. P. Ruzicka 12-12-0.

Junior Jack Vega could especially be proud of his second place finish in the 119 lb. class at the State Tournament in Lincoln. Other Scottsbluff grapplers competing at the State Tournament were Tom Cherry 132 lb. class, Bob Turman 138 lb. class, and J. P. Ruzicka 145 lb. class. In order to attend the State Tournament the wrestlers must place at the District meet.

Coach Baker will lose four wrestlers due to graduation and expects a better season next year since the younger wrestlers will have more experience.

There were 22 lettermen this past year in wrestling.

Guzman Leads Reserves to 6-4 Season

4

The Scottsbluff Reserve Wrestling Squad finished with a 6-4 season. Coach Ed Guzman's troups practiced with the varsity unit and had wrestle-offs to determine who would wrestle varsity and reserves. Many of the reserves wrestled at least some varsity, or their record might have been even better.

Juniors Mel Gilliam and Jim Kilthau and Sophomore Dan Kilthau were the top wrestlers for the Reserves. Gilliam compiled a 9-1-0 record and Dan and Jim compiled 7-1-0 and 6-2-0 records respectively.

The reserve had wins over Gordon, Rapid City Stevens, Sidney, Cheyenne Central, Alliance and Kimball. They suffered losses to Rapid City Central, North Platte and twice to cross-town rival Gering.

Seacats Splash to 6-2 Season

In only his second year as coach, Harry Dowell led his Seacat squad to a 6-2 record. This has been the first winning season in several years.

The Seacats posted victories over Ft. Lupton, Brighton, and victories over Newcastle and McCook. They suffered losses only to Ft. Collins Poudre and Cheyenne East.

The Bearcat swimmers finished fourth at districts and qualified six boys for the state swim meet. These qualifying were Senior Harry Berggren 50 yard Free style, 200 yard Medley Relay and 400 yard Medley Relay; Sophomore Mark Cain 200 yard Medley Relay; Sophomore Rusty Jacobson 100 yard Freestyle and 400 yard Freestyle Relay; Sophomore Loren Love, 100 yard Backstroke and 200 yard Medley Relay, Fred Reichert both relays; and Duff Nicola, 200 yard Freestyle and 400 yard Freestyle Relay.

Coach Dowell has high hopes for next year as many underclassmen contributed considerably to the squad.

Those earning letters the past season were Seniors, Harry Berggren, Greg Hill, Duff Nicola, Fred Reichert, Ken Selch, and Glen Thein. Juniors earning letters were Craig Anderson, Doug Dermer, Ray Schlutz and Jim Walters. Sophomore lettermen include, Mark Cain, Rusty Jacobson, Bruce Krutsinger, Loren Love, Paul Pfenning and Terry Reichert. The lone freshman that lettered was Tim Anderson.

Hookers Capture Intramural Crown

The Scottsbluff mens intramural league was won by the Hookers. The Hookers went undefeated in the regular season and then proceeded to win the post season tourney held at the Senior High Gym.

The championship game was between the Hookers and the Cheech Wizards. The Wizards earned the right to meet the Hookers by winning the upper bracket of the tourney. The Hookers prevailed.

Members of the Hookers were players—Coach K.C. O'Riley, Jay Neibauer, Ross Crist, Andy Gentry, Terry Bastron, Terry Steele and Tom Brinkman.

Other teams competing in the leagues were Late Risers, Croakers, Up the River Gang, Bartenders, Panamas, Brewers, KOB II, The Mex, The Screws, The Scrubs, Prime Cuts, No Names and the Professors (Faculty).

Goofs Gain Third Straight Title

5

For the third consecutive year, the Goofs captured the girls intramural basketball crown.

The Goofs, coached by Russ Martin and Rick Mueller, ended the season 6-0 and earned the right to meet the Hot Dogs, the champs of the Tuesday league. Enthusiasm rose as the girls and boys intramural championship games were the same night. Posters plastered the school walls the day of the games.

The Goofs emerged 25-15 winners by outscoring the Hot Dogs 13-0 in the second half.

Members of the Goofs were Ann Finke, Candy Anderson, Cindy Anderson, Deb Schmitz, Jan McCarthy, Georgia Knaub, Cherry Snocker and Sara Williams.

Other teams competing in the two leagues were Snow White plus Seven Dwarfs, Meanie Beanies, Tender Feet, Double Dribblers, Cruisers and the Rotten Rebounders, in the Tuesday night league and the Fantastic Spastics, Good Bad and Ugly, Gomers, Tarantula Fizz, Freaks and the Panthers in the Thursday league.

Tracksters Score Successful Season

6

During the 1974 track season, Marty Ogg set the only new school record, breaking the school's triple jump record by going 46 feet even at the Western Nebraska Invitational meet, held at Bearcat Stadium.

Scottsbluff competed in 15 different track meets during the season. The Cats opened with a third place finish in the Kearney Indoor meet in February. They defeated Gering in a dual meet to open the spring season and then finished with a second place in the Scottsbluff Relays. They next finished sixth in the Cheyenne Invitational and lost a dual to Cheyenne. At the Cheyenne Relays the Bearcats finished third. Coming back to Scottsbluff the Cats finished a strong third at the Western Nebraska Invitational.

7

At the Big Ten meet the Scottsbluff Tracksters finished sixth and followed with a fourth place finish at Districts. For the annual state meet the Cats qualified three boys in eight events.

Those qualifying included Senior Jay Neibauer in the open 880 yard run and the high jump. Senior Marty Ogg qualified in the long jump, triple jump, 100 yard dash and the 180 yard low hurdles. Sophomore Randy Dickerson also qualified in the long jump and triple jump.

Marty Ogg scored Scottsbluff's only points at the state meet by placing third in the jumps.

Coach Jim Petitt announced 26 lettermen and 15 Certificates of Achievement winners for the year.

Other coaches assisting during the season were Giles Smith, Larry Lemons and Les Lee.

Girls Track Team Scores Well

6

The Scottsbluff girls track team compiled eight first places, one third place and one fourth place finish this past season and qualified four girls for the state track meet.

The girl tracksters took first places in the Scottsbluff Relays, Gering Dual, Bridgeport Dual, Kimball Dual, McCook, Sidney and Alliance Invitationals and the Wyoming Relays. They gained their fourth place finish at Big Ten and their third place finish at District.

During these meets, the girls scored highly, sometimes in the hundreds, and limited opponents to scores such as 19 and 32. In the Scottsbluff Relays they also took every first place.

Those members of the squad that qualified for state were Linda Meininger, 80 yard hurdles; Kris Schledewitz, shot put and discus; Cindy Gerhard, 50 yard dash; and Christy Lee, high jump and 440 yard dash.

Kris Schledewitz finished fourth at state in the shot, while Christy Lee placed fifth in the high jump and Cindy Gerhard sixth in the 50 yard dash.

Coach Kathy Tabor announced 26 letterwomen and 21 Certificates of Achievements winners. Assisting Coach Tabor was Mrs. Jean Mattheson.

Golf Team Wins Fifth at State

"With five tournament championships and a fifth place finish at the state tourney, it has to be considered a successful season." These were some of Coach Jack Stewart's comments following the 1974 golf season.

Coach Stewart's troupes, consisting of Bill Henderson, Bruce Hyland, Jess Pilkington, Jeff Klein, Jeff Jolliffe and Randy Brown scored first-place finishes in the Sidney, Gering, Scottsbluff and Chadron Invitationals and the District tourney held at Alliance. The Cats also finished the Big Ten runner-up and fifth at the state tourney.

According to Coach Stewart, there were 16 candidates out for golf.

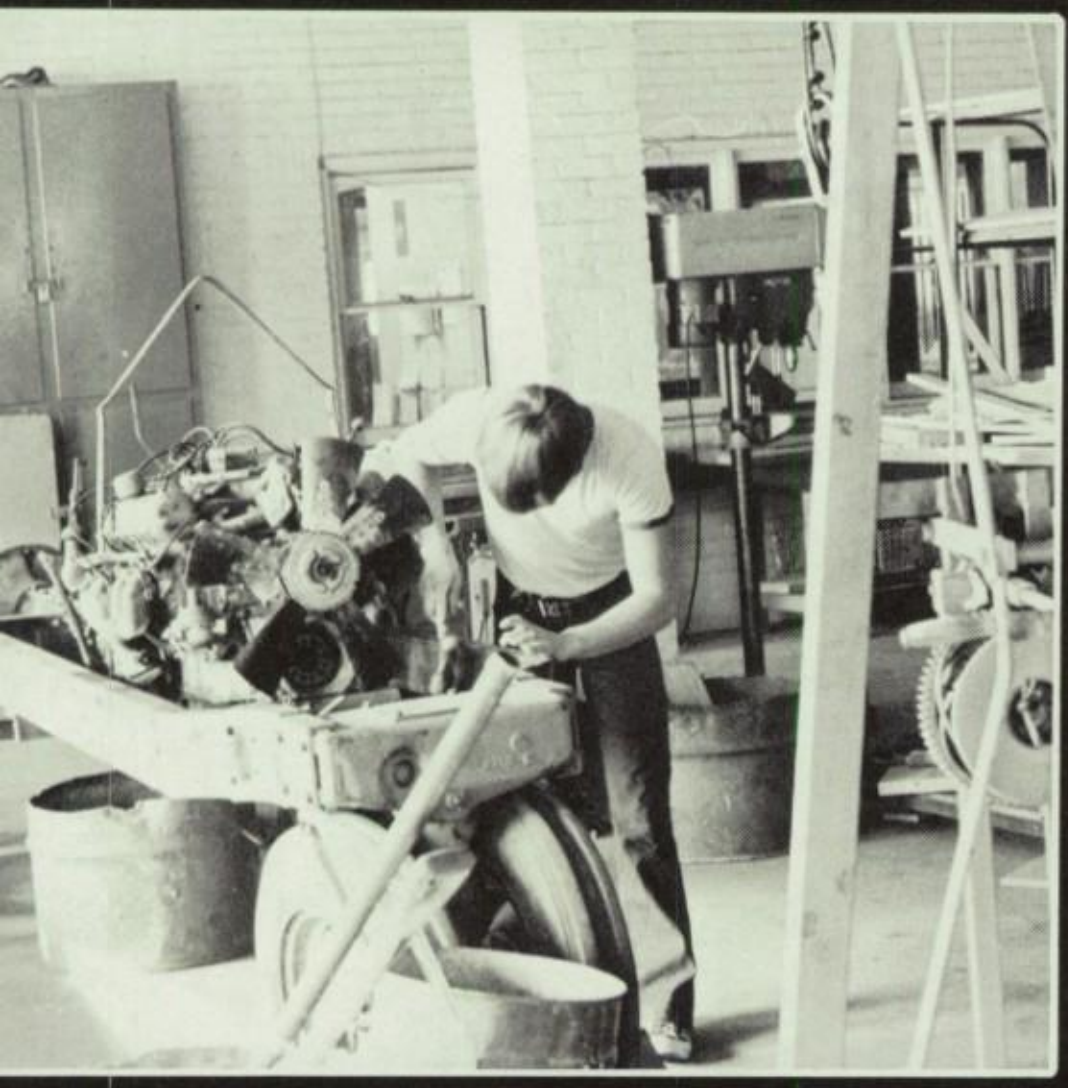
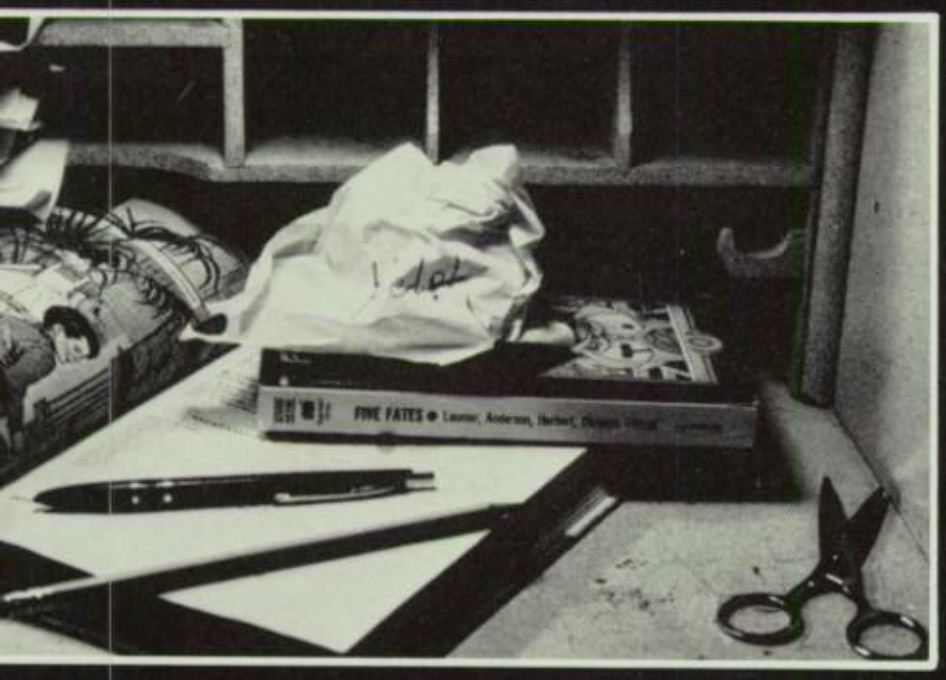
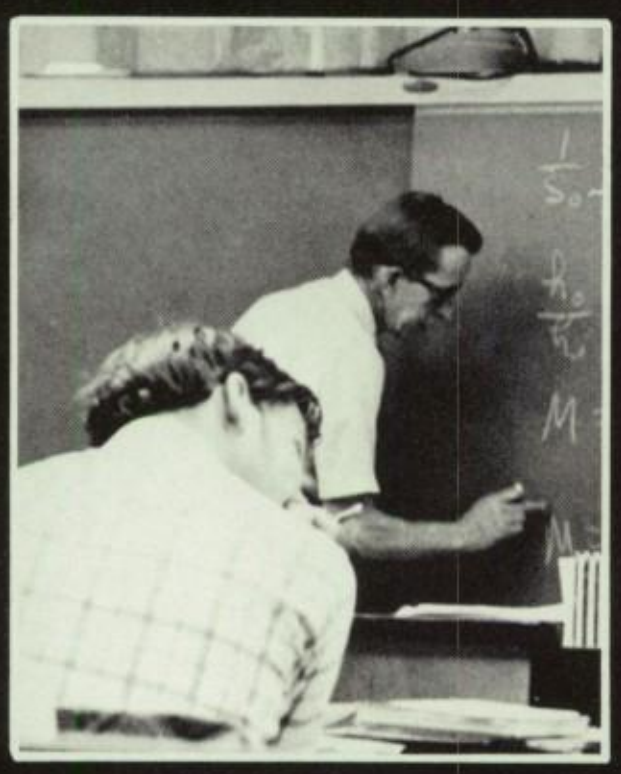
i have conquered some goals
and by doing so i have
created some dreams

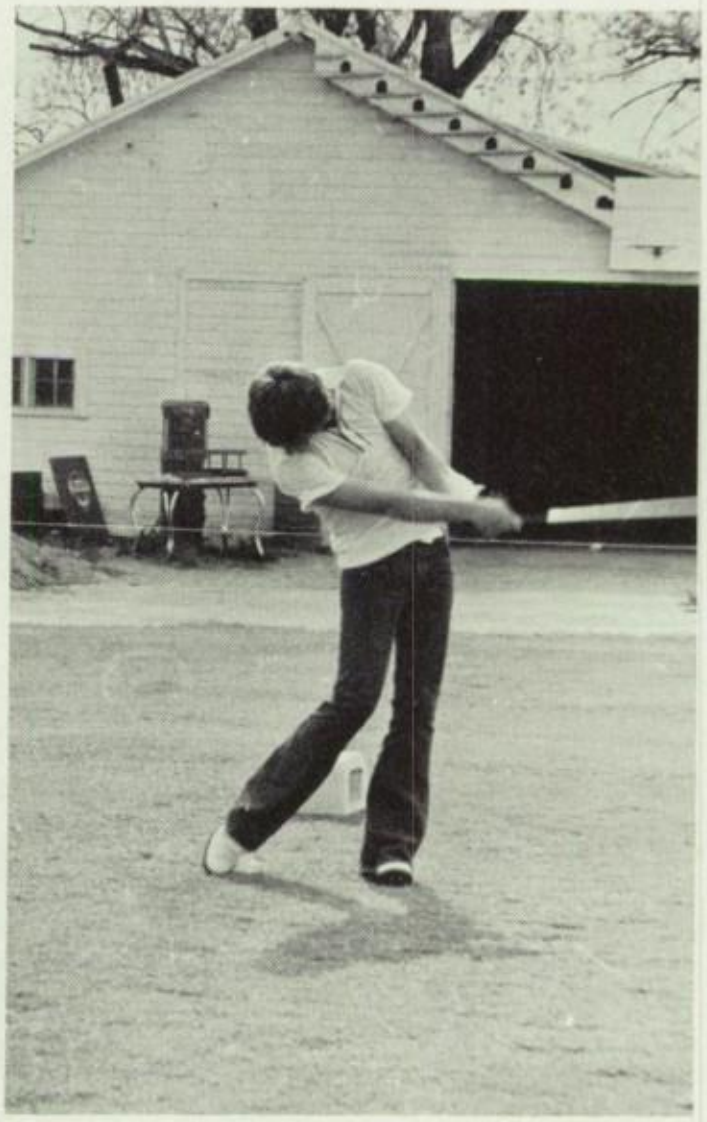


i dream of a bright, clear future
but i expect some clouds,
knowing that all my dreams
cannot come true





yet in order to be me
i must have dreams,
without them i could not
live for tomorrow



the memories that have taught me so well
are but reflections of myself.
the dreams i hold
are but pieces of future reflections.

As the trees along a sandy beach, we have all stood together. The sun has shown upon us and we have grown strong. We have shared the wind and we have bent in its strength. But unlike the trees, we must now separate and go our ways alone. We need to explore the world in order to discover our individuality and to find our place in society. As we look back to our days together we can only hold happiness, knowing that this happiness is what leads us to tomorrow's joy.

Our years at SSHS have taught us much. We have gained experience and knowledge, friendship and trust. We have uncovered a part of ourselves and with that we have started the long goal of putting our life's puzzle together. We now must separate and perhaps we may never meet again, but still we know that deep inside we will always hold a part of one another. That which we put into the lives of others will someday return into our own.

As the pages of this book close, I hope that your lives are beginning to open. I dream that we all may find our true "selves", the "I", in our days to come. With this discovery, may we help others to find themselves. Although we cannot change yesterday and we cannot control tomorrow, I wish each of you the best in life and I thank you for being a part of mine. God Bless you, each and all.
